ALCOHOL CONTENT (vol. %)	12,5
RESIDUAL SUGAR (g/l)	0,3
TOTAL ACIDITY (g/l)	4,1
PH VALUE	3,8
HARVEST	September/October

TASTING NOTES. An extremely well-balanced wine, ruby red in color, with fruity aromas of raspberries, strawberries and cherries, and notes of bitter almond. Well-rounded in taste and pleasantly fresh. In short, a varietal wine of notable drinkability.

FOOD MATCHING. Highly suited to all first courses, to fish- and meat-based dishes, and especially to cold cuts, cured meats, Tyrolean smoked ham, and soft cheeses.

WINEMAKING. Manual harvesting and grape selection. Short maceration. Slow fermentation at controlled temperature and five months maturation on light lees in stainless steel tanks.
