ALCOHOL CONTENT (vol. %)	12,5
RESIDUAL SUGAR (g/l)	3,2
TOTAL ACIDITY (g/l)	5,2
PH VALUE	3,6
HARVEST	September/October

---

**TASTING NOTES.** An extremely well-balanced wine, ruby red in color, with fruity aromas of raspberries, strawberries and cherries, and notes of bitter almond. Well-rounded in taste and pleasantly fresh. In short, a varietal wine of notable drinkability.

---

**FOOD MATCHING.** Highly suited to all first courses, to fish- and meat-based dishes, and especially to cold cuts, cured meats, Tyrolean smoked ham, and soft cheeses.

---

**WINEMAKING.** Manual harvesting and grape selection. Short maceration. Slow fermentation at controlled temperature and five months maturation on light lees in stainless steel tanks.
